Mayor of London Music award.

Musical excellence and opportunity inspired outside the classroom

Well done Angie for being one of the very few children across London to be awarded a scholarship from the Mayor's 'London Music Fund'. Our school has an excellent track record here and it is because of the work we are able to do in school and through the Saturday classes offered by the Southwark Music Service .

Year 6 visited the Horniman Museum this week as part of their science study of the

classification of animals, see some more pictures on our website.
