Today 4 O'Clock in the church

Well done to Years 3,4 and today Year 5 for preparing the prayers of intercession and choosing the hymns for our Friday worship. It has been really good to see so many parents and children making this extra effort during Lent.....keep it up!

Savings Club - Launch Morning

We have nearly thirty children signed up to be part of our new Savings Club after

our enrolment morning last week. This is a fabulous number and one we hope will be added to when we open it out to classes other than Years 1 & 5.

For now it is just these classes that have had the opportunity to sign up.

We hope to launch the club next

Wednesday morning but are currently awaiting confirmation that important letters have been sent out to the children who have registered. We will keep you posted!!

Federation fun and games

The children from Year 4 enjoyed an afternoon of football and cricket when they travelled to Rotherhithe to join their counterparts in St John's, our sister school. We hope to return the hospitality when they visit Peckham in the near future.

Parents' Evening and Open Morning

Thank you to all the parents and carers who made it to parents evening and visited the classes this morning.

We are fortunate in St James the Great to have such supportive parents and that these meetings are so well attended. We all know how important these meetings are so that the children see that everyone is working together and interested in their education.

Lenten Fundraising- a great start!

Last Tuesday and Wednesday, it was the turn of Years 2 and 5 to raise money for our Charities; Missio and the Sickle Cell Society. They raised approximately £30 Please support next week's after school sales, a bargain at only 20p an item. Also put some change into the red Missio boxes that you hear being rattled in the playground.
