School Pupil Premium	103.4	101.8	105.1
National non Pupil Premium (**Age related expectation)	102.6	103.0 **	103.0

Very many of our children who join St James the Great in the Early Years come from homes where English is spoken as an additional language and from economically deprived situations.

As a result of careful targeted support for children who require additional interventions any attainment gaps that are present at the end of the Foundation Stage are systematically diminished so that by the end of Key Stage 2 the difference between the outcomes of pupils from disadvantaged backgrounds has been minimalised.

Reading, Writing and Maths results, at the end of Key Stage 2 are all above the National Expectation for which we are very proud
