

A Message from the School Council about our Lenten project.

Do you know there could be children in your class, in your school or one of your friends who came to school this morning without eating breakfast? Not because they did want any but because there was no food in their house. Do you know that the only hot meal they have is when they eat school lunch. How would you feel if that was you? You see not everyone is as lucky as you. Some children don't have enough to eat, a waterproof pair of shoes or a coat to wear in this cold weather. They may not even have a nice warm pillow or duvet to snuggle under at night.

That is why we as a school are going to try and raise as much money as possible to help them. One of the ways we are going to do this is to cover the distance of one of the longest walks you can do in the UK. We are going to cover the distance from our school to John O'Groats, a distance of over 1100 km. We will then ask parents, family, and friends to sponsor us. All the money raised will go to The Catholic Children's Society: Crisis Fund.

Here are some facts for you to think about and explain to your parents.

£5 WILL BUY A PILLOW FOR A CHILD TO SLEEP ON.

£10 WILL BUY A CHILD A PAIR OF SHOES.

£25 WILL BUY THEM A WARM COAT.

£50 COULD HELP FEED THEM FOR A MONTH.

So when you go home this evening make sure you thank God and your parents for what you have. Then explain to them about the other children and ask them to help us to raise as much money as we can.
