Lenten Journey Underway

Today during Achievement Assembly the members of the school council reported back about how far their classes had travelled this week.

There were excellent efforts made in all classes and special mention to both Years 4 and 5 who have already exceeding their class quota! Altogether, when we put everyones distance together, the pupils have travelled 958km. That means that we have

already got as far as Scotland! Please support the children and sponsor their efforts (remember sponsors should only be people the children know).

Recent Class Trips

There have been a number of trips recently including Year 4 taking part in an inter school Benchball Competition where they came fourth.

Year 6 visited St Thomas the Apostle College (STAC) last Friday to enjoy their theatre production of 'Brother Act' which was very funny!

Last week Year 5 visited the British Museum and Year 2 the South London Art Gallery.

Parents Evening & Open Morning

Many thanks to the Parents and Carers who were able to attend either or both these opportunities. As ever there was a very high turn out. A further thanks to all who came and who helped with the efficient running of the timetable, keeping as best we could to the agreed timings. Which we pretty much did.

Benediction today, Friday.
Please come along.

4pm at the church.

Emergency Contact Details

Please make sure that we have up to date details of **three different people** for emergency contact purposes.

Pupils of Achievement

The Academic Achievement this week is RE. We are in the middle of Lent and we reflect on and celebrate the good things that we are doing differently.

The Personal Attribute is 'Being Generous'; this having a strong association with 'almsgiving'.

The children were as follows:

Year 1: Sara & Kingsley; Daniella
Year 2: Princess, Ngozi & Jason ; Oyen
Year 3: Ethan & Ebuka; Amy
Year 4: Faith & Favour; Givanni
Year 5: Emmanuel & Ugochi; Divine
Year 6: Daniella & Festus; Ezekiel

Well Done Everyone
