## 'Here we are'

After the long summer holiday we started the new term with a special short project. This year all classes studied the book 'Here we are' by Oliver Jeffers. Each class took a different theme from the book and the results are to be seen in the school hall. The themes range from :  
How people are all different, yet we have lots to share in common;

The wonderful places to be found on our planet (can you guess where this might be?):

Or how we might welcome visitors from another planet! (Check out those posters!)

## Parish Links

There are some exciting and worthwhile new things to bring to your attention from our parish news.....

Tonight at the church

### Film about Bethlehem

Peckham & Nunhead Free Film Festival - something for parents/ carers and older children - 7:30pm. Film followed by questions at 9:30pm

### NEW WOMENS PRAYER GROUP

FRIDAYS 9:20

Starting next Friday, after dropping your child at school, why not carry on to the church and be part of the group?

## Family Fund

Each year we ask each family to make a small contribution. This year we are asking for £15.

This money is used to provide some of the 'pleasant extras' that we give the children from time to time. The little things that can sometimes mean a lot.

It could be an icelolly in the hot weather or a momento to leave school with in Year 6.

When everyone pays it makes a difference.

Thank you!

## Savings Club is open

Each Wednesday morning before school starts. Please become a member , if you aren't already!

Uniform can be bought or ordered on Wednesdays in the Annex which is the building in the playground, after the end of the school day.

## Pupils of Achievement

There was no Achievement Assembly this week to celebrate individual achievements. We went to Mass to give thanks for, and to celebrate what we had all done well as well as to ask God to be with us as we begin our new school year.

*Well Done Everyone*
