Evaluation and sustainable improvement from sport premium

St James the Great is continuing to use the sport premium effectively with a clear understanding of how the money needs to be used with key priorities identified.

Our three main priorities are: ensuring children have a broad and balanced PE curriculum, raising the enjoyment of being active at St James the Great; and raising the profile of healthy lifestyle choices and healthy living and challenge and achievement for all pupils so they can excel in PE and sport.

In addition our cross curricular approach aims to develop links between PE and other subjects such as Maths (athletics and measurement) , English (Hockey Match Report), Computing (filming Dance), PSHE (healthy living) and Science (healthy bodies) etc. Our opportunities for promoting Cultural Capital for the children a priority in terms of ensuring children have a rich and varied sporting curriculum e.g. sailing at Millwall Dock, Junior Golf at Greenwich as well as two residential school journeys.
