Achievement receive a rose for them and one to share.

## What can 'Kindness' look like?

Well done to all the children in the SAT's classes for their hard work, especially this last week. Also to their adults who have helped to help prepare them.

This week we celebrated acts of kindness and following a suggestion from our school council,

we celebrated this attribute with the gift of a flower for each pupil nominated in Achievement Assembly today. Not only this, each of the children was then given another flower to pass on to an adult who was kind to them.

## Smiletrain pulls in to school

This morning we welcomed Sarah Curtis who received our Lenten offering of £770.86

With this money, five children's lives will be radically changed for the better as their cleft lip and/ or palate can now be treated. That is just fantastic!

## Friday Rosary for May

Next week will be the last chance this May! Please come,
