

# Reception Class Celebration Page!

Irvinne

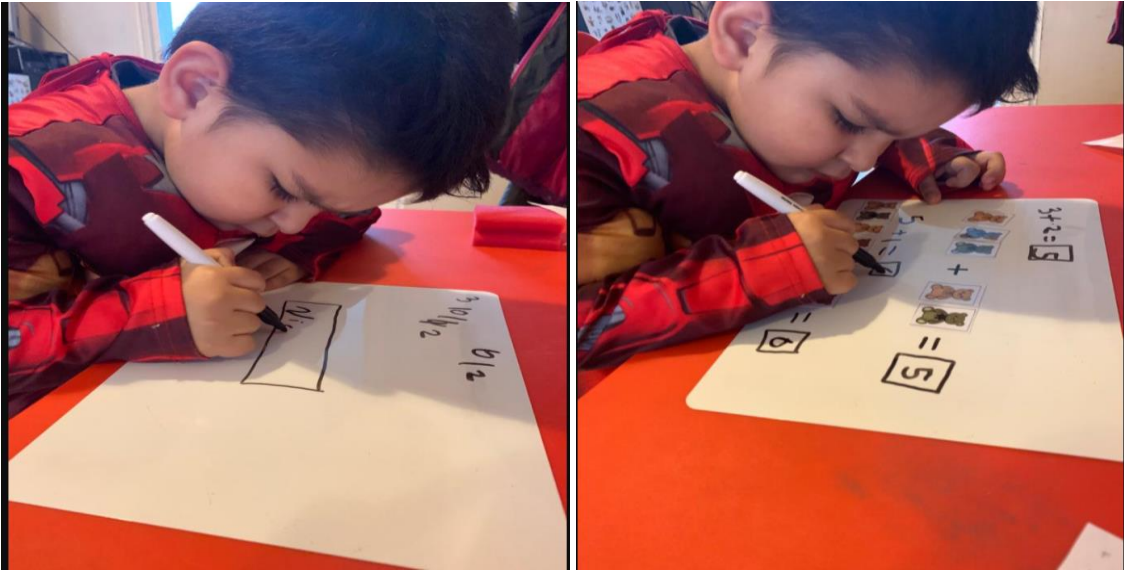

Irvinne has been enjoying making her own playdough at home! She is mixing up all the ingredients: flour, water, oil, salt and food colouring.

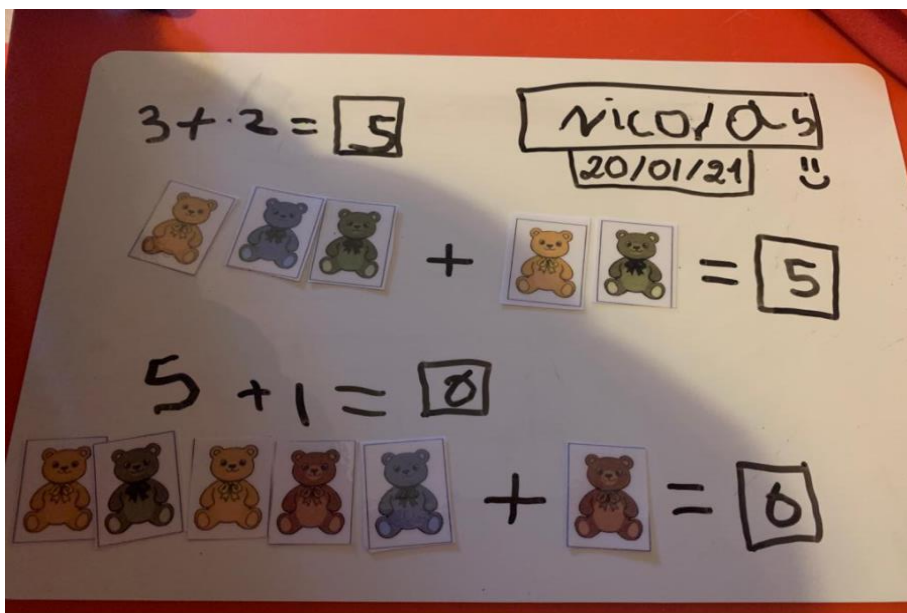

It's blue!

# Nicolas

Nicolas has been practising writing his name and for maths he has been counting two sets of bears to find the total. He has also written the number sentence underneath each sum!

Well done to all the  
children in Reception  
Class working at home  
and school! I am looking  
forward to celebrating  
more of your hard work  
next week!
