

Reception Class Celebration Page!

Irvinne

Irvinne has been practising how to write her name and form her numbers correctly.

In maths she has been learning how to add and subtract using her teddy bear counters!

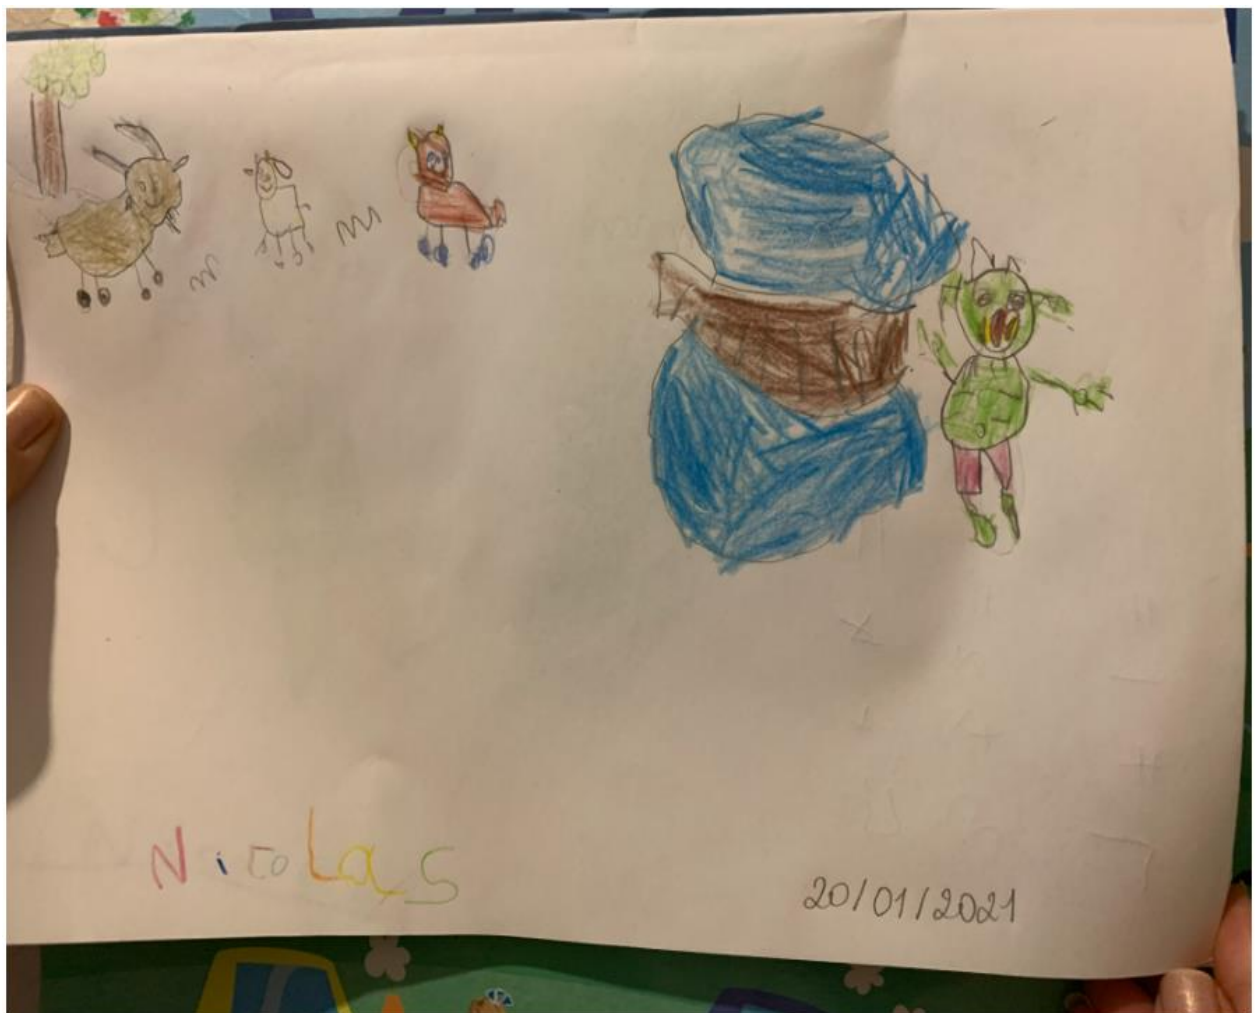

She also made a bridge out of paper after listening to the story of The Three Billy Goats Gruff.

Nicolas

Nicolas has also created an amazing bridge! He has used coloured wooden lolly sticks and string.

Nicolas has drawn a picture of a scene from the story of The Three Billy Goats Gruff and written his name on his work. You can see the troll by the bridge and the three Billy Goats about to cross the bridge to eat the sweet green grass on the other side!

Well done to all the
children in Reception
Class working at home
and school! I am looking
forward to celebrating
more of your hard work
next week!
