Non uniform day and a collection for the Friends of Kelly Avenue Park -

Kelly Avenue Park

What a great response to our non uniform day last Friday, over £190 has been donated to the 'Friends of Kelly Avenue Park', this was added to the money raised by Oliver Goldsmiths School, what a great joint effort!

Also, well done to the volunteers who turned out last Saturday to help with the upkeep of the park even in the damp wet morning it turned out to be.

Half Term get out and do something good!

Along with the normal range of activities, the local swimming pools are running a series of 'crash courses', for all ages including adults, Please take the opportunity and get swimming.

There are lots of local art galleries; the South London Gallery, between us and

Oliver Goldsmith, Dulwich Picture Gallery are but two. Museums include the Horniman Museum which is just a short bus ride away. There are all of the wonderful galleries and museums of central London which, here in Peckham, we can say are on our doorstep, a busride or a short train ride away. You can be there in half an hour, the rest of England will have to make a holiday out of it!

Road Accident - Near Miss!!

Our school is on a very busy road.
When children are with you.....Please show them where to cross.....at the lights.

Be on time for school.
But even if you are late
CROSS AT THE LIGHTS

Years 4 & 5 advance notice

Class swimming

From 20th February for twelve weeks there will be a major refurbishment of Peckham Pulse and the swimming pool area.

As a result the children, once changed for swimming, will need to walk through some public areas in the centre. So for the sake of good appearance, modesty and in order not to frighten any members of the public the children will need a navy blue oversized t-shirt and a pair of cheap flipflops or sports 'slides' for the sessions.

School Uniform

School skirts are on sale from the office. The new blazer will be introduced from Easter onwards, cost approximately £30. For Years 3, 4 and 5 initially.

Holiday - Stay safe.... on line

remember the rules

Financial Education

Thank you to the parents who have volunteered to help run our Savings club.

School Savings Club

We will be holding a short information meeting the second week after half term; this is for all parents, though we will be inviting the children from Year 5 along too. Please come and join the meeting especially if you are in school that morning.

GOLD STAR AWARD

Year 6 - Alexvia Owusu-Sarpong

Year 5 - Kieron Ofori-Boakyie

Year 4 - Victoria Oladipo

Year 3 - Giovanni Egharevba

Year 2 - Benjamin Tanskyi
