Children from all parishes represented in the school who received their First Holy Communion this Summer.

Welcome Back...

To the final half term of this academic year. It will, of course, be a very busy one! Just take a look at the dates section below to give you a flavour of some of the things that are happening over the next six weeks. There are many things that don't appear in the list either; such as outings, trips, our Year 5 sailing course and additional special sailing sessions too. We celebrated all of our First Communion children this morning both in school and at the Church as well. In the spirit of communion we pray that together we will conclude this year doing our best for God, each other and ourselves.
