Mass to celebrate a new start

Last Friday morning the school went to church where Fr Jack celebrated Mass. Year 6 read beautifully and helped make the first return to our church this year a meaningful one.

The school is now in full swing with the full consignment of enrichment activities underway, with specialist Mandarin, Dance, PE and Music sessions for the children. This week also saw the beginning of a year long project whereby Year 4 will be working with a specialist teacher from Westminster Choir School.

After school clubs will commence next week so do look out for the letters today.

School Council

The elections have taken place and we have a new council who have already met. This year we will be working even more closely with Peckham Citizens in our effort to make both St James the Great and Peckham a better place.

'Beat the Street'

This is an exciting new game that all Southwark Schools are playing together. Please read the leaflet going home tonight and look out for your 'fob' and also the 'BeatBox' outside our school.

Family Fund

Each year we ask each family to make a small contribution. This year we are asking for £15. Please pay in the office.

Children coming into school during the day.....

Please remember that if your child returns to school during the lunch time period they should have eaten their lunch before returning to school.
