The 'route' from school to Santiago de Compostela

Our very own Pilgrimage for Lent

Hopefully you are being gently encouraged to sponsor some walking or swimming by your child. Also we hope you are trying to add up distances you or your child has been walking so that we can add them all together to see how far we get each week along our destination. Keep up your great work and encouragement so that we can

improve the lives of children who were born with a cleft lip and palate through our support of the 'Smiletrain' charity.

Also please come along to Benediction.

Each Friday - 4pm at the Church - please note, Next week is the LAST week

PARENT'S EVENING WEDNESDAY

Thank you to all our Parents and Guardians who came along on Wednesday to support their children's education.
