

St James the Great Catholic School Newsletter

www.stjamesthegreat.southwark.sch.uk "Doing our best for God, for others and for ourselves" Friday 1st March 2019

This year we are hoping to raise funds for SmileTrain.

They work with children in developing countries who have 'cleft lip / pallet. This, amongst other things, effects their physical appearance and speech. It cost £150 to rectify this birth condition.

To raise money we intend to have a sponsored challenge which this year is to walk and swim from St James the Great in Peckham across the English Channel, down through France and across the coast of Northern Spain to Santiago de Compostela.

The great place of pilgrimage where St James was buried.

Your child will have a sponsor form please support them and start walking and counting up the distance!

THANK YOU
