Pupils from across the classes celebrate their Summer Holiday work

Celebrating our 'Summer Learning from home' packs

Well done to everyone who worked on their packs over the Summer and brought them back to school. We allowed a little extra time too.

The class teachers have had a good look at your work and have decided on the following children to receive a special voucher as an award for their efforts.

So well done to the following children:

| | |
|---------------|--------------------|
| Nursery Harry | Reception Korede O |
| Year 1 Inaaya | Year 2 Jayden |
| Year 3 Julia | Year 4 Sara |
| Year 5 Jason | Year 6 Jesse |

Well done to everyone who used their holiday time to keep up with their studies

Annual Flu Vaccine information

As you will know, we have sent out letters and permission slips for this year's vaccination programme which will take place on Tuesday 6th October.

This is a programme that has been in place for a number of years now.

It is offered to all children in the school from Reception Class to Year 6.

It is a nasal spray (not an injection!)

It is administered by the Nursing team who come to school.

They will only give the vaccine if you have given your consent.

This is a good and worthwhile programme, please return your form and consent.

If you require a new form please phone the school office to arrange for a replacement form.

So this is what the Colour Monster looks like, Year 1!
