## The month of the Holy Souls

We are part of a living community that is lucky (don't we know it) to be able to come to school and meet every day.

Our faith tells us that when you die, 'life changes, it does not end'. With this in mind we remember our loved ones, who have died in a prayerful and hopeful way. We also pray for all of those people who died with no one to pray for them. Please make sure your child knows how to say our prayer for the Holy Souls

### Prayer to the Holy Souls

Eternal rest grant unto them O Lord and let perpetual light shine upon them, may they rest in peace, amen.

### Christmas Cards this year.

This year, children will not be able to bring in Christmas Cards, however each class will have a special Christmas Message book and this will be a safe alternative to sending cards. Details of this will be shared with the children soon.

## Parents Meetings will be different

Parent Meetings will take place during the planned INSET Day on Friday 27<sup>th</sup> November by telephone. You will receive more detail by letter shortly.

Y2 Splatter painting technique and working with warm and cold colours

## Wednesday Word

The Wednesday Word is now digital (for this term) as this is the safest way to share the publication. It can be found on the school website.. Please take time every week to share this with your children at home. As you know, each week there is a new theme based on the Sunday Gospel and new activities for you and your child to share.

## Parish Links

Fr Jack once again sent us a video link of a special Benediction from our church which was shared with classes from Year 2 - Year 6. This week's theme was to do with 'peace' .

Together we will 'Keep the Faith'.

## Covid response reminder -see website

Please remember that we work hard to keep our learning community safe during these difficult times and we have plans in place should we need to respond to any potential outbreak in school. Please see the school website, policy section for further details.

How can parents help?

Maintain social distancing when dropping and collection children.

If your child displays any Covid symptoms keep them at home and access a test.
