

Year 3's Celebration

Year 3's Celebration Of Work

Well done Year 3 for completing this week's work at home. I have been so mesmerised with all your work that has been sent to me. A big thank you to all your parents for their hard work in supporting you!

I have particularly enjoyed reading your predictions based on the front cover of our new book. It is great to see that you looked very closely at the cover, and, that you used your retrieval and inference skills to help you write your predictions. Also, I have been very impressed with your Maths work on time. I know that reading the time to the exact minute can be tricky, so a big well done to all of you!

Keep up the great work!

Faith N- English

Noun out the book cover. What can you see?

Write your prediction:

I can see a ladder. I can see
colourful birds flying. I can see tall
trees. I can see a small castle. I can
see tiny people. I can see a minuscule
bell. I predict that man on Gulliver's arm
is angry because Gulliver didn't have
curly hair that's why he put pencils
in his hair. I predict that the tiny people
are putting those clothes on because they
want him to look ugly.

Faith E- English

Noun out the book cover. What can you see?

Write your prediction:

I predict that the giant man in the spoty ripped pants is being dressed up ~~by~~ by the tiny servants. The unkempt outfit looks messy and untidy. I think the tiny servants are hard working because I can see them carrying square sheets of clothes and sewing them together to create clothes, shorts, socks, T-shirts, vests and pants. I predict the giant man is lazy because the little servants are dressing him up and making unpleasant garments for the giant man.

Smiles- R.E

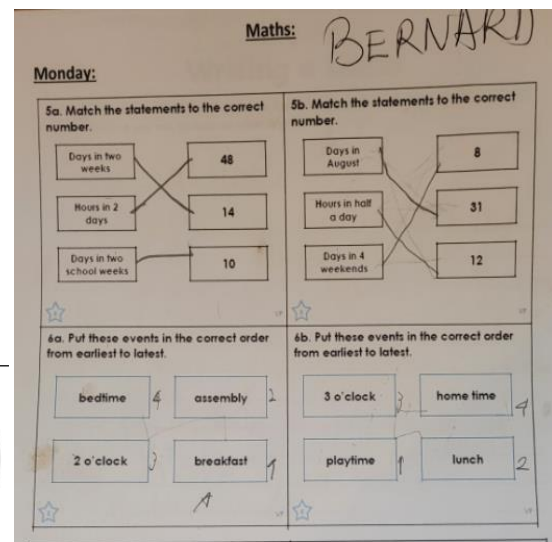

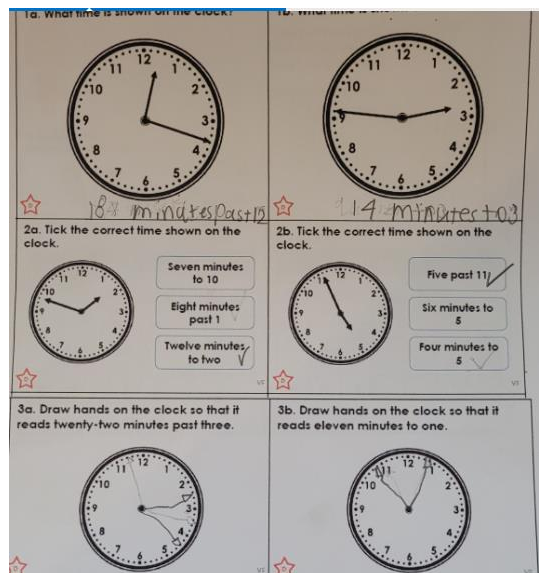

Great work in R.E this week about how you feel in each season. I definitely agree Lent/ Spring can be a sad time because Jesus did die however, don't forget it can also be a time of hope because Jesus did rise from the dead. Well done!

Alexander- English

Great work on plurals!

Plurals add 's' to words that end in s, sh, ch, sh, x and o to make them plural.

e.g. bus buses fox foxes

Read and write the words below again so that they mean more than one (plural). Think about how you would use them.

cross ~~crosses~~ atlas ~~atlases~~ witch ~~witches~~
 box ~~boxes~~ kiss ~~kisses~~ flash ~~flashes~~
 gas ~~gases~~ wish ~~wishes~~ catch ~~catches~~
 fox ~~foxes~~ church ~~churches~~ potato ~~potatoes~~

Write down the rule about adding 's' to words to make them plural.

You can write as that words end in s, sh, ch, sh, x and o and you don't need to change anything just only add s.
