

Nursery Class Celebration of Work Week 2 Spring Term 2021

After listening to a story called The Three Little Pigs, some children made pig masks. Michelle cut some ears for the pig and stuck them on a paper plate. Afterwards she painted the pig's head pink.

When the paint dried, Olivia and Isreal cut some eyes out with adult support. Then they played with their masks.

Exercise is Fun!

David and Harry enjoyed playing hockey in the Nursery garden. Hased pushed herself along on the scooter. Jeremiah, Abigail, Annabelle and David climbed and swung themselves on the crescent shaped climbing frame.

I look forward to seeing more of your work next week.
