

Week beginning 22nd February 2021

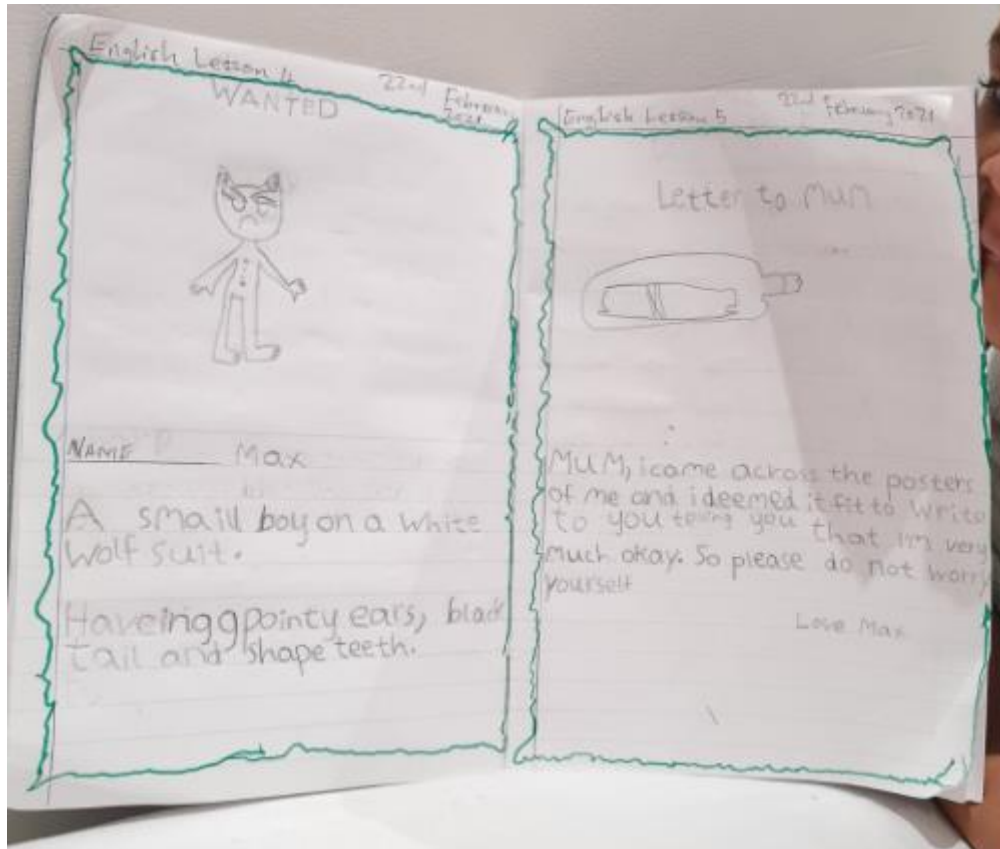

## Year One Celebration Page

Well done to the following children who have sent in work from home

### English

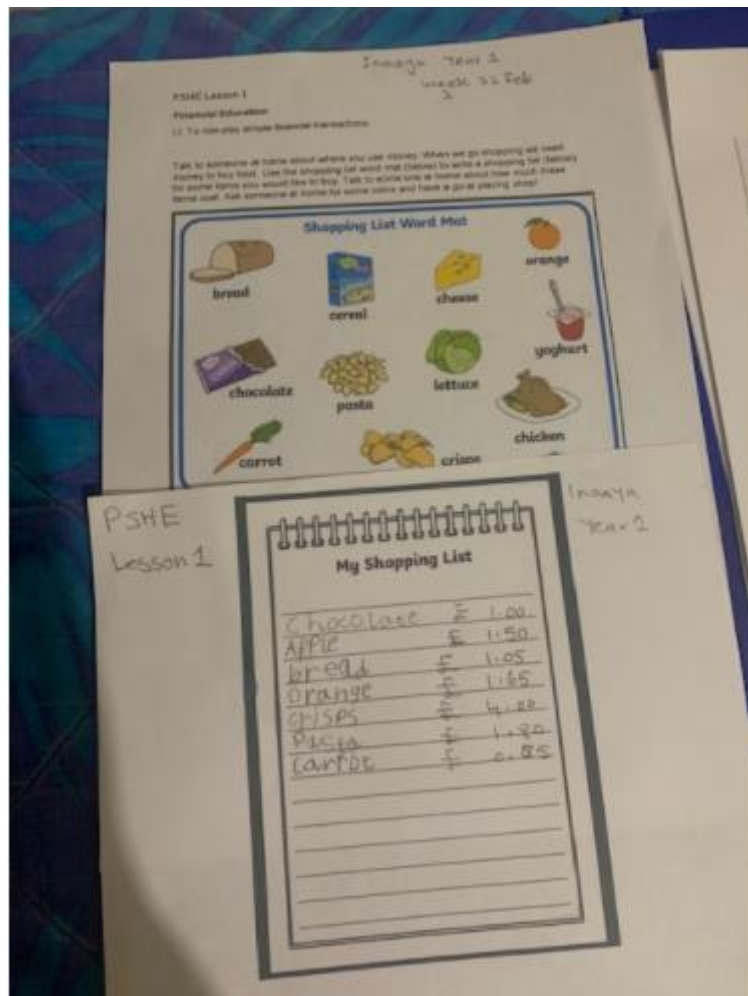

Prince has drawn a map of Max's journey from 'Where the Wild Things Are'. I love the way that you have drawn the creatures!

Jasmine has completed a 'wanted poster' describing Max from 'Where the Wild Things are' and a message in a bottle. Great work, Jasmine!

## PSHE/ Financial Education

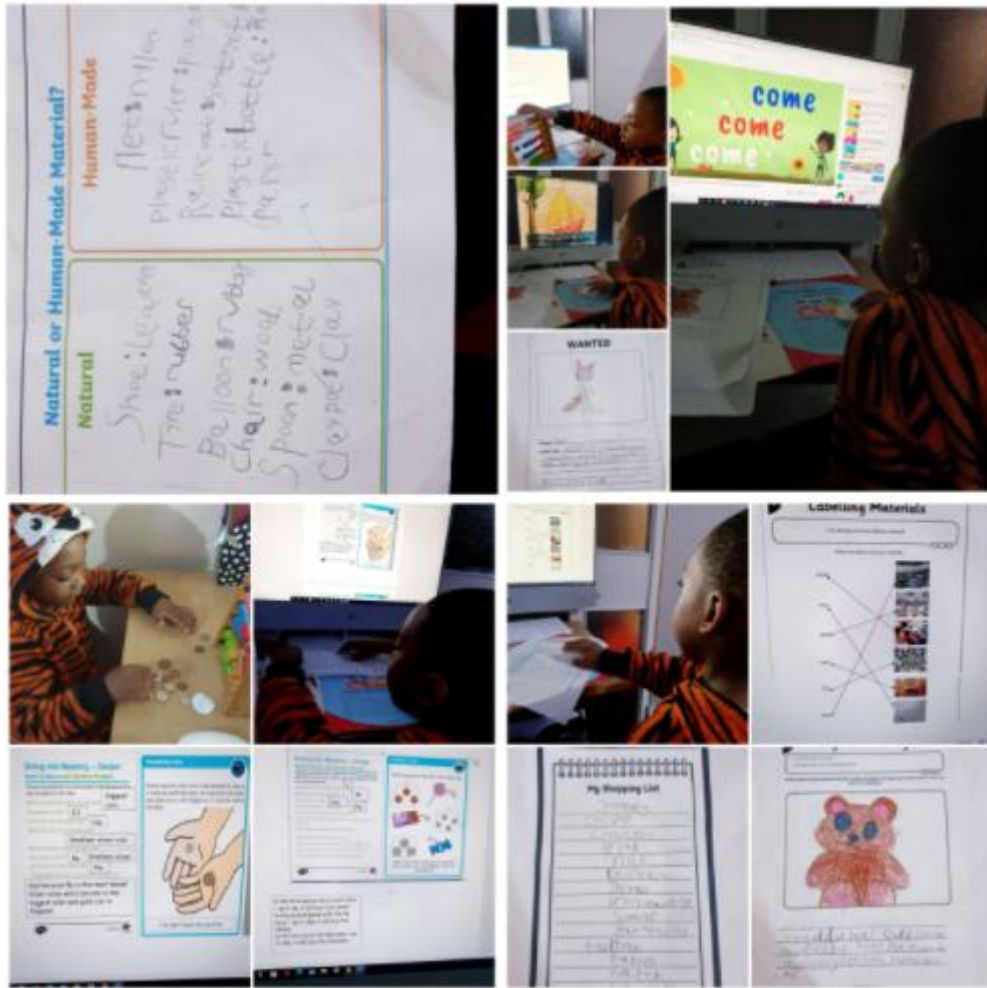

Inaaya has written a shopping list of items that she would like to buy if she went shopping. I live that way that you have included the correct prices for these items, Inaaya!

Art/ Science

Daniely

Natural or Human-Made Material?	
Natural	Human-Made
Sand leather Organic oil Cotton wood Iron coal Chalk Natural rubber Wool silk	glass concrete nylon paper Synthetic rubber Steel plastic rayon polyester

In Science we are learning about everyday materials and in Art we are focussing on sculptures made out of natural materials. In this piece of work Daniel has grouped natural and human-made objects. Well done, Daniel, you have sorted these objects correctly.

Yoel has been busy engaging with all subjects again this week. Keep it up, Yoel!

Well done to all of the children who have been working hard this week from home!
