## Looking forward

### 'The Transfiguration' this Sunday's Gospel

We end our first week of Lent with our classroom Prayer Focus Areas covered with the purple cloth which signifies this period of getting ready. We are getting ready for the joy and mystery of Easter. This Sunday's Gospel gives us a glimpse of the glory of God made man, in Jesus. These are events of hope. This week we heard the Prime Minister's statement about the opening of schools on 8<sup>th</sup> March. Our school has been open all along and currently welcomes over 50% of our pupils through the gate each morning. We have been open safely. We are working hard to make the children's full return to school as safe as possible.

Please keep a watch on our school website and also for text messages regarding how we will open school on the 8<sup>th</sup> March.

### Parents Meetings - Spring Term

These will be by arranged phone call next Tuesday 2<sup>nd</sup> March for children who are attending school.

If your child is attending school, on site, please contact school to make an appointment on  
Monday 10:30-11:30 or 2:-3pm

## Thank you neighbours. Again!

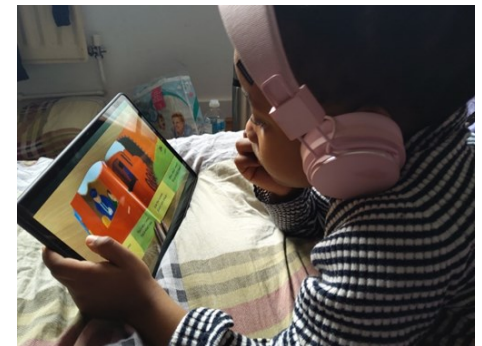

This time we would like to thank the 'Fourcommunications' group who have kindly donated 23 of their office PC's to the school. We have been the very fortunate beneficiaries of their office reorganisation and move. The PC's will be used to upgrade the classroom and some computer suite provision. Thank you and we wish you every success in your future.

## Learning at home and in school
