

Year 3's Celebration Of Work

A massive well done to those of you for focusing on your work and completing this week's home learning. Children, we only have a few days before we are all back together!

For those of you who sent in work this week, it was lovely to see how you have engaged with our new reading book. Your inference skills are continuing to build, as you applied what you already know about the Stone Age to complete the activities. Make sure you don't give up on your learning now, keep going!
