Happy Easter!

Christ has died; Christ is Risen; Christ will come again

Welcome back! Easter Sunday may well be a few weeks ago now but one great thing about really good news is that it is worth remembering for longer than a day or two, so how about six weeks! Yes six weeks to remind ourselves that our world should be a place full of thankfulness and hope and it's up to each of us to spread that joy of Easter. In the classroom, the playground on our way to school----with the people we share our world with, yes that person next to you!

Premises Officer required

St James the Great is looking to recruit a new Premises Officer as soon as possible. Please look at the school website or call the school Office for more information.

Seeds of Hope

Children in Year 6 were looking to bring some joy back to our playground planters before Easter so there was a wonderful sense of coincidence when Rose Morgan, Community Champion from Morrisons, got in touch with an idea of her own making.....to sew some 'Seeds of Hope' in our world after all the gloom of this pandemic.

Rose shares the 'Seeds of Hope' with pupils from Y6

As well as a some bedding plants for those planters! So thank you Rose and thank you Morrison's, great neighbours!
