May the month of Mary

Hail Mary, full of grace, the Lord is with thee.

Normally during May we would start each Friday with a decade of the Rosary in the school hall before the start of school, then later in the month we would process to the Church with flowers to crown the statue of Mary. Instead, today we said a decade of the rosary in our classes, led by Fr Jack via video and hopefully we will crown Mary with our good deeds during May. Try to say the Rosary (or even a decade of it) regularly at home this month. The Pope has asked us all to pray for the end of the pandemic across the world.

Take a look inside school

We know that with Covid rules in operation we are still very restricted in being able to invite parents and carers in to the school building. We are unable to host assemblies where we can show you the range of learning that the children are able to access. So we'll try and show some here. Last week we shared some of our Music curriculum, this week we will share some of the artwork that has been taking place recently and how it's been inspired.

Year 3 making clay flowers inspired by our beautiful apples trees

Year 5 clay coil pot and sketch inspired by learning about Greece and scenes from the Parthenon Frieze

PE Kit reminder

Please remember that footwear must be plain black, leggings, shorts or sports 'trousers' must be black or navy blue. Tops - just plain white t-shirt or polo. When it's cold wear the school jumper over the top. Please avoid all logos and flashes of colour.

Your Data (GDPR)

The school works hard to protect the integrity of any data that is shared with us. This is reflected in our GDPR policies to be found on the school website.

Covid-continue to take care!

Please use the queuing system fairly at the end of the day. There is a 15 minute window in which to drop your child at school 8:45 - 9:00

Keep safe!

'St James the Great Award'

'Intellectual Curiosity'

Pupils of achievement are as follows:

Nursery	Abigale	Reception	Ralph
