Mustard Seed

Faith is like a mustard seed, it can start off as something so small but can grow into something great.

The Gospels in recent days have told us stories to compare things with, this Sunday Jesus tells us how faith is like the tiniest seed which can grow so big. We should never underestimate the small things that we do to help or serve others.

After a gap of a Covid year we were delighted to see our Year 5 head off to Docklands Sailing and Watersports Centre yesterday.

Unlike other years the children were treated to a minibus ride. It was fantastic to see them taking their very first steps, out on the water, towards their RYA level 1 certificate.

A great sight.....a school trip!
