Travelling?

Take nothing for your journey except a staff...

Beside all the Covid restrictions and possibilities of summer travel, this week's Gospel has a great message all about packing! Travel lightly it saysso that you can remember clearly the reason for your journey. The Disciples travelled far to spread Good News, we must remember to bring that message with us wherever we go, even if it just ends up being down the road to Camberwell!

Southwark's 'Summer of Food and Fun'.

During the coming summer holiday there will be no continuation of the school meals vouchers, instead Southwark Council will be providing an exciting programme of food and activities for children and young people. Places are available **free of charge** for children between the ages of 4-16 years, who are eligible for free school meals.

Sailing Success

Year 5 completed their final session at Docklands Sailing and Watersports Centre yesterday having successfully completed their RYA Stage 1 course. Thank you once again to the excellent instructors at the centre and well done to all the young sailors. We will bravely look forward to sailing on the sea off the Isle of Wight next summer when we hope that we will be able to resume our school journey programme again.

End of Year Reports

These will be sent home with your child **next Friday**, please also note the response form that will be sent along with it too. We will also send home some of your child's work so please send them in with a carrier bag!

Next week

On Monday and Tuesday selected pupils from Years 5 & 6 will be taking part in a specialist dance project, a modern take on the traditional Maypole dance, which will be filmed.
