In this weekend's Gospel Jesus went back to his own place of worship to spread the Gospel. It wasn't as easy as it sounded. You will need to read next week's to see what happened. Read the weekly Gospel. We do in school, in Church.....do you at home?

"It is such a great experience having such amazing children at the after school club. Seeing big smiles on their faces when I come to pick them up from their class lines give me so much joy from within. The warm welcome I get from these amazing children is incredible. I feel privileged to have been given such a great opportunity to carry out a role like this with such fantastic children." Thank you.
