Christ the King

Christ the King - Stairway displays are regularly updated by our Catholic Life Committee.

This Sunday marks the end of the church's year, the feastday of Christ the King. After World War 1, Pope Pius IX noted that even though there was a cease- fire, there was no real peace in Europe or across the world; sounds familiar! So this feast day was instituted to remind us all that true peace comes from the love of God.

If you have a school chromebook at home from last summer term and it is not in directed use from the class teacher, please return it to the school office.
