Transfiguration of Jesus

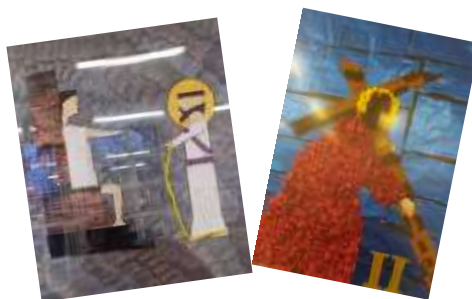

Each year on the second Sunday of Lent we listen to the story about the transfiguration of Jesus upon a mountain in front of three of his disciples Peter, James and John. They had a momentary glimpse of the joy of heaven and God the almighty.

Please reflect upon finding your own momentary glimpses of heaven and happiness and try to remember these when facing challenging times.

Potential Strike

15th and 16th of March!

Teachers' who are members of the National Education Union (NEU) may be taking industrial action on Wednesday 15th and Thursday 16th of March. We will inform you as to which classes will be open for children on that day as soon as we have more information. The NEU strikes on these dates will not affect the residential visit to Stubbers on these dates.

Stations of the Cross

All of the children and staff here at St James the Great have been working very hard on creating a new display for the hall depicting the 14 stations of the cross. This year collectively we used "contemporary interpretations" as the stimulus for our fantastic works of Art! They are currently on display in the hall. If you get a moment during Savers Club on Wednesday before school starts.

Uniform Sale

Next Tuesday 7th March 2-3pm

Lenten Prayers

The Benediction service at St James the Great Church will run every Thursday until the end of term. Everyone is welcome.
