God's Light in the World

This Sunday's Gospel is that of Jesus and the man who was born blind. Jesus made a muddy paste, putting it on the man's eyes and then asking him to go and wash it off and when he did the man could see! Jesus had brought light into the man's life. Often we have our own challenges and times in our lives when maybe we are finding things difficult. The light that Jesus brings into our lives lifts us up and eases our burdens.

Year 4 Adventuring

A full day of climbing, caving and archery is ahead of us at the Stubbers Adventure Centre. Much fun and excitement being had by all.

Class Photos

The school photographer will be in school on Monday 27th of March to take the children's class photos

Save with Us!

St James the Great Savings Club

Our club runs within the school, opening weekly on Wednesday morning before lessons start and staffed by both adult and pupil volunteers. Children can open accounts with the Savings Club, which will be held and run by the local credit union, the London Mutual. Pupils can deposit their money at the weekly savings club, just like they can with a bank, building society or credit union account.

Children are encouraged to save for a purpose and to set savings goals, and the hands-on learning from the savings club is also linked to classroom teaching.

Children / adults can withdraw their money from the Credit union itself (not at school).
