The way of the Cross

The children led the way through the streets to church, with the cross. When they arrived, they were led and joined in the Stations of the Cross and continuing in silence, they returned to school. Solemnity is rarely demonstrated so beautifully.

It was our walk of witness for Lent.

Pastures New

Two members of our team are off venturing on to pastures new.

Ms Senensieb, after 12 years of teaching at St James the Great is going over to our partner school in the federation St John's. Mr Hanson who has been supporting the teaching in Year 4 and 5 will be leaving us to pursue a new career path. We hope you join us in wishing them the very best for the future.

Our Fantastic Curriculum

As the Spring Term has ended we wanted to show you some of the fantastic learning that has taken place in the past few weeks. Our Year 5 children have honed their pottery skills by making some beautiful coil pots. If you look closely you will see the intricate detail of the plaiting in the clay.

Our Year 2 children have been planting seeds to hopefully harvest some vegetables in the summer term. Along side this they have been learning how to use knives in a safe manner to cut up ingredients when making a tasty and nutritious wrap!
