## Thoughts and Prayers for those in Turkey and Syria

Included below is a prayer written by three children in Year 4 for those who have been affected by the terrible earthquake that hit Turkey and Syria on Monday.

Dear God,

*We pray for the people of Turkey and Syria. We pray that you heal the injured people and that you help to find the survivors. We pray that you will provide shelter for the people that have lost their homes and provide enough food to eat to survive this terrible period they are in. God help them.*

Amen

By Ozioma, Kenna and Ebenezer

Write your own prayer over half term. If you write your own prayer over half term bring them in and we will make them into a book that will be available in our entrance Foyer.

## Half Term, Half way!

This half term holiday marks the half way point of this academic year. Time flies! We look forward the days getting longer and warmer and the challenge that the next few months bring. We pray to God for his continued presence in our lives and in our community.

## Parent's Evening

Parent's evening was a success with the majority of parents attending their appointments and also being on time. If you missed your appointment or didn't make one due to prior commitments then please contact the school office to arrange a meeting/telephone conversation with the your child's class teacher.
