God has no Favourites

This Sunday's Gospel is that of Jesus and the Samaritan woman who is drawing water. Jesus said "Whoever drinks water from this well will become thirsty again, but anyone who drinks this water that I shall give them will never be thirsty again."

Please discuss this with your children and ask them what they think it means.

Mothers' Day

The parents and carers of children who attend nursery and reception classes are invited to a special Mothers' Day performance at 2:45 on Thursday 16th March. We look forward to seeing you there!

A Study of Light and Dark

Last week Friday, year 3 went on an educational visit to the Science Museum to take part in the Wonder Lab workshop. This was related to the children's Science topic 'Light'. Doing this allowed the pupils to link what they have learnt in class about light, mirror reflections and darkness to real life scenarios. The children answered lots of Mr Wilson's questions about their visit at the start of Monday's assembly. However we were left with a couple of questions that we didn't know the answer to. Maybe you can help answer the following:

- How do things that glow in the dark work?
- How do fire, flies and glow worms emit light?

Please give your answers to Mr Wilson

Reminder Year 4

All rucksacks must be returned by 9:00 Monday morning for Stubbers!

Lenten Prayers

The Benediction service continues at St James the Great Church every Thursday until the end of term. All Families are welcome.

'St James the Great Awards' 'Great Effort in Science'

Pupils of achievement are as follows:

Thomas & Danielle, Rebecca & Oyin, Dieudonne & Nhyira, Elmer & Sultan, Aya & Patrick and Raphael & Praise.

'Collaborative Learner'

Someone who takes time to investigate or find out things which can be shared with others

Pupils of achievement are as follows:

Christina, Joshua, Tina, Millie, Korede and Abigail

Pupil Leadership
