Corpus Christi

'Corpus Christi we celebrate the Body & Blood of Christ'

As you should well know we are redeveloping our school Library, we will have pictures of our 'Grand Opening' for you next week. It will be a wonderful example of a 'body of knowledge'. On Sunday we celebrate the Body of Christ revealed in: the bread and wine of the Eucharist at Mass; the body of people who congregate there as well as in the Word of God revealed in the holy scriptures. Our faith is full of wonderful mystery, the 'Sacred Mysteries'. Take some time to simply think about them. It is what makes our faith so rich, beautiful and lifelong.

The feast of Corpus Christi is celebrated this Sunday

Uniform Sale

Thursday 15th June 2-3pm in the Annex

Used But Good Uniform??

Do you have any unwanted but good school uniform?

At St James the Great Primary School we teach the children about the

importance of recycling and reusing items and not being wasteful. As a result of this, we thought we would ask you if your child has any school uniform that is in good condition and perfectly wearable but no longer fits. Or if your child is in Year 6 and they no longer have a use for their uniform from September then please stop and think... can I help reduce waste and give the items to school? By giving the items to school it will enable us to have a "Used But Good" uniform sale. Obviously the items

would be sold at a fraction of the original cost! So it would be **win** for the environment, a **win** for the school by raising a little money and a **win** for parents looking for a bargain! If you have any used but good uniform then please give it a wash and bring it to the School Office so we can start our collection. Watch this space for an update in the near future.
