

We believe in Stewardship

In the first pages of the Bible we read how God created the sun and the stars, the water and earth, and every creature.

We believe Christ is the redeemer of all creation.

In 2015, Pope Francis brought together decades of Church teaching in the encyclical, Laudato Si'. In this deeply influential letter, Pope Francis invites everyone on the planet to consider how our actions are affecting the earth and the poorest people.

Everything is interconnected, and all of creation praises God.

It is our Christian vocation to care for creation.
