

SUMMER

Year 1 - 2025

I hope you all had a lovely Easter. Year 1 have had a great start back to school and it's lovely to see everyone looking so smart. Please see below for our topics for this term.

English 	<p>In English this half term we are going to study Beegu, Sidney, Stella and the moon and The man in the moon - books about space which link to our History topic!</p> <p>Next half term we will focus on Leo and the Octopus story.</p>
Maths 	<p>We will be starting this term by looking at time and number. We will then be moving on to number and place value before studying addition and subtraction where children will be using number lines to solve calculations, as well as, problem solving. Other topics covered this term will include: multiplication, division, odd and even numbers, fractions and time.</p>
RE 	<p>To begin with this half term, we will learn about Pentecost in our topic Holidays and Holy days. After half term will learn about the religion of Islam before learning about Reconciliation in our topic being sorry.</p>
Science 	<p>We will be beginning our new topic: Plants. Children learn about how plants grow. They will identify a range of plants including deciduous and evergreen trees. Children will learn about the basic structure of flowering plants. They will observe plants in the local environment. They will keep records on how plants change over time.</p>
PSHE 	<p>For our Health and wellbeing topic, children will be focusing on emotional wellbeing and mindfulness.</p> <p>In RSE children will cover the topics three in one, who is my neighbour? and the communities we live in.</p>
Geography 	<p>Next half term our topic will be world map studies where children will identify 4 countries and capital cities in the UK.</p>
History 	<p>The children's history topic this term is space travel.</p> <p>In this topic we look at a historically significant figure, Neil Armstrong.</p>
Art 	<p>Our topic is Plants and flowers. Pupils will be taught to use a range of materials creatively. They will use drawing, painting and sculpture to make images of flowers and plants.</p>
Design & Technology	<p>In our topic Moving Pictures, children will explore how pictures move in books and cards. They will learn about hinges and sliders and use them in creating their own moving picture.</p>
Computing 	<p>Children will develop their understanding of the various aspects of using a computer to create and manipulate text. They will become more familiar with using a keyboard and mouse to enter and remove text.</p>
PE 	<p>In PE this term Year 1 will be focusing on net games using a racket.</p>
Music 	<p>Children will listen to a range of music and learn songs where they hear and use pulse. Children will identify pulse in music; repeat and create short rhythmic phrases confidently.</p>

Our PE lessons continue to be on Thursday and **PE kits should be brought to school**. Your child will need their full PE kit of white tee-shirt; black shorts or tracksuit bottoms and black plimsols/trainers.

If you have any questions don't hesitate to ask.

Kind regards,
 Mrs Konwinska
 Year 1 Class Teacher
